Distinguished Service Award Nomination Form

This award recognizes exceptional contributions to Cultural Astronomy and Archaeoastronomy in the American Southwest. It may be awarded for activity that fulfills one or more of the following criteria:

- 1. The contribution may be the investigation of the astronomy of one or more Southwestern archaeological sites, or ethnographic cultural astronomy study of a particular historic pueblo or Southwest Native American culture, including an analysis of cultural context.**
- 2. Innovation in methodology or interpretation of archaeoastronomy and cultural astronomy.**
- 3. Popularization of archaeoastronomy and cultural astronomy of the Southwest through public lectures, tours, books, teaching courses in archaeoastronomy, field schools, or preparation of exhibits.**
- 4. Provided extensive assistance and guidance in the field to researchers.**
